

Take your seat in the Seminar Room for our talks from leading experts. Each of our sessions features talks from leading experts and concludes with a Q&A session. Hear about the latest developments in three key areas.

Electric Infrastructure 11am – 12 noon

Understand the big picture on the Island. What has already happened, what will be happening, and how the Island connects with the national and global outlook.

"Building EV Infrastructure for the Island" Dave Newton ISLE OF WIGHT COUNCIL	"Energy saving by whole house retrofit" Vince Ward FUTURE ISLE OF WIGHT	"Understanding how EV charging works" David Thornton EV EXPRESS	"Will EVs melt the grid?" Colin Palmer WIGHT COMMUNITY ENERGY
--	--	--	--

Electric Vehicles 12:30pm – 1:30pm

Hear from experts and owners about driving an EV. Learn about the vehicles, purchase options, charging, and what it's really like to use an EV on a daily basis.

"Choosing the right EV for you" Paul Thorley VEHICLE CONSULTING	"Living with my EV" Zoe Findon EV OWNER	"The benefits of EV to my business" Jonathan Thornton PC CONSULTANTS	"I read this thing on Facebook..." Nancy Thorley VEHICLE CONSULTING
--	--	---	--

Electric Innovation 2pm – 3pm

Our future will be increasingly electric. Hear from people at the cutting edge of technology about existing projects, and what we can expect in the coming years.

"GreenTech For Species Survival" Matt Greg NOSY	"How drones are making a difference" Alex Hall DRONE INSPECT	"The Future of Energy" Dr. Adrian Gill VESTAS BLADES
--	---	---

WIN FREE RETURN FERRY TRAVEL

Take part in our free prize draw to win free return travel for you, your car and passengers courtesy of our talk sessions sponsors Red Funnel.

To enter simply register when you go into the Seminar Room. The winner will be drawn towards the end of the event and notified by e-mail or phone.
